

 **Rise to
the Moment**

Climate Justice Youth Event

1st August 2021 12.30pm – 6.00pm

We invite young people (Y6 up) to gather for a **picnic at St Michael's Sunninghill 12.30pm** and Rise to the Moment banner-making.

We then head into Windsor Great Park to **walk to Dedworth, Windsor (11km)** to meet and greet the long-distance walkers of the Young Christian Climate Network who are stopping over as they march to Glasgow to COP26 to call on our government to act boldly and courageously in the face of the **climate emergency**.

Find out more about the relay pilgrimage here yccn.uk

We're excited to be joining forces **with Warfield Church youth** and youth pastor Adam Brown for this event.

If the walking distance is an issue, talk to us; you can still join in.
